The True Miracle of Bethsaida Orphanage Secondary School

For the month of August 2024, we extend our heartfelt gratitude to all those who visited Bethsaida Orphanage Secondary School, offering encouragement and inspiration to our students. Your presence has been a beacon of hope, uplifting girls who come from some of the most challenging environments. It is through your support that these young women continue to thrive, proving that despite their circumstances, they are capable of achieving greatness. Over the past 18 years, the performance of our school has been nothing short of remarkable. Despite the difficult backgrounds of many of our students, they have consistently excelled, both academically and personally. Bethsaida's true miracle lies not only in the results but in the transformation of lives. We are proud to nurture confident, resilient young leaders who are ready to change their communities and the world, and for this, we thank you for being a part of their journey.

● The Impact of Education at Bethsaida

Bethsaida Secondary School has become a transformative force in Tanzania, empowering young orphaned girls with the education and skills to break the cycle of poverty and uplift their communities. Over the past 18 years, the school has provided not only academic excellence but also emotional support, fostering confidence and leadership among its students. Graduates of Bethsaida are now role models, pursuing higher education and careers, while some have returned to their communities as agents of change. The ripple effect of this impact is profound, as these young women inspire others and contribute to the social and economic development of Tanzania.

The Vision of Bethsaida Orphanage School

I believe that everyone in life has a purpose, but the most important purpose is to serve others, especially those in need. Our journey has been full of ups and downs, but with the support of countless individuals who share the same belief and vision, we are confident that our goals will be achieved. We are proud to have graduated over 400 students from Bethsaida Orphanage School, each one a testament to the power of education in transforming lives. We extend our heartfelt thanks to everyone who has stood by us on this journey, helping to make this vision a reality.

Bethsaida Secondary School

Application for form One Registration 2025 is now open

Bethsaida Secondary School has opened the registration window for the Form One batch of 2025. We kindly invite all orphaned girls to come to Bethsaida to collect the application form. We look forward to welcoming you and helping you embark on this educational journey!

● Friends of Bethsaida

The clothes handed, that you see above was designed and created by the girls at Bethsaida. This is one of the vocational skills we empower our students with, allowing them to express their creativity and gain practical experience. Recently, a friend of Bethsaida visited our school and shared valuable insights with the children about the power of miracles and the importance of commitment. Through such interactions, we inspire our students to recognize their potential and understand how they can positively impact the world around them.

Gold Partner:

We extend our heartfelt gratitude to our Gold Partner for their unwavering support of Bethsaida Secondary School, the only orphanage secondary school for girls in Tanzania.

Your commitment and generosity play a vital role in transforming the lives of our students, providing them with the quality education they deserve. Together, we are making a profound impact on the future of these young women, empowering them to rise above their circumstances and achieve their dreams. Thank you for being an essential part of our mission and for believing in the potential of every girl at Bethsaida.

**Be a part of our mission to empower orphaned girls at
Bethsaida Secondary School, where your support
creates lasting change and inspires future leaders!**
